## Burger Week Commandments

### 1. THEY COULD RUN OUT

We expect that participating restaurants will be extremely busy. So if a place runs out of their specialty burger, handle it like an adult; go back the next day (earlier), order your burger and thank them for working hard. Please be nice to our restaurants.

### 2. THERE'LL LIKELY BE WAITS

In past years, San Antonio Burger Week has brought burger lovers out in DROVES! Don't be surprised if restaurants have waits. In fact, be surprised if they don't.

### 3. TIP LIKE A PRO

Sure, lunch for less than \$10 brings out the cheap in all of us. But don't forget you're likely getting a \$10+ burger, so please tip accordingly! The people who are serving you are working hard during Burger Week to provide great service, specialty ingredients and to raise some cash money for the SA Food Bank. Be kind to our friends and neighbors... Smiles, nice words and high fives encouraged!

### 4. YOU SHOULD BUY A DRINK AND/OR OTHER FOOD

Purchase of sides and extras are not a requirement, but we think it says a lot to those working hard to bring you extraordinary experience. Grab some fries, an iced tea, soda or cocktail and say thanks!

### 5. CHECK SOCIAL MEDIA

Restaurants will be encouraged to post their waits and remaining burgers for the day on their social platforms, so check your destination's social feed to be sure you plan accordingly. Also, don't forget to share and tag your photos with #SanAntonioBurgerWeek, so we can all savor vicariously through your Insta-worthy burger pics! Sharing is caring!

### 6. DINE-IN & CURBSIDE/ TAKEOUT

Featured eateries will offer a SA Burger Week special with dine-in, to-go, and delivery options available depending on the restaurant. We've done our best to indicate their serving options in the Passport, but we encourage you to check their website, shoot 'em a DM or give them a call before heading their way.

We encourage everyone to enjoy SA Burger Week safely and respect all social distancing protocols established at each restaurant.
